

Credit Union Member Verification

To ensure the continued integrity of the Sprint Credit Union Member Discount program, members must periodically provide documentation to verify credit union membership - eligibility of the program discount.

- **New customers** are required to verify credit union membership within 30 days of activation.
- **Current customers** are required to provide proof of discount eligibility when upgrading their device if it has been 20+ months since their last validation.

Proof of membership options include any of the below with the member's name:

- Credit union check
- Unexpired credit union credit/debit card
- Current credit union statement issued within the last 90 days
- Credit union membership card

Verification is easy and only takes a few minutes to complete. There are four ways to verify credit union membership:

1

Free Invest in America app for Android and/or iPhone

- iPhone users can find it at the **Apple App Store**.
- Android users can find the app in the **Android Market**.
- Members just need to search for “Invest in America.”
- Members will be prompted to black out all confidential information within the app right on their phone.
- This app also lists all other Invest in America discounts.

2

Fill out and fax the Sprint verification form and supporting documents to the Sprint Corporate Accounts: **913.523.1987** or toll free: **877.687.8211**.

3

Visit **www.Sprint.com/verify**, and select “fax or upload your verification.” You will be forwarded to <http://mysprint.sprint.com/verify/pages/uploadform.jsp> where you can complete and upload the form and attach your proof right to the site.

For members paying their Sprint monthly bill through Sprint’s AutoPay option from their credit union checking account or credit union debit/credit card, verification is as easy as it gets.

- Members sign up for **Sprint’s AutoPay** online using their credit union account (checking, credit card or debit card).
- Sprint pulls the R&T and credit/debit card BIN numbers monthly and verifies credit union membership for all accounts being paid through Sprint’s AutoPay from a credit union account via the above methods.
- These members are validated monthly each time the report is pulled and members verified through this process have no need to go through any other verification process.

For options 2 and 3: *Members need to black out all confidential information on their documentation prior to faxing/uploading.* Once Sprint validates your information, usually within 5 business days, you’ll receive a confirmation email. If Sprint has questions, they will contact you at the wireless number you provide.

It will take 1 to 2 billing cycles for you to see the discount on your invoice. Sprint is unable to issue retroactive credits.
